

Security Group Sets Season Scoring Mark

The amazingly unstoppable Security Group unit again displayed their hardcourt superiority in league action during the past week. Victim number 13, BarLant, fell before an attack to end all attacks.

Meanwhile, CommSta#2 continued their winning ways on the strength of a forfeit.

A power-laden "Group" team fell only one point short of the century mark and set a season scoring record in downing BarLant by the ridiculous score of 99-28. In scoring its most decisive and impressive win of the season the Group had three men in double figures. Sensational Tom Melling (All-Far East 1962) took both game and night scoring honors with a 29 point effort. Horvath and Ingram tallied 14 points apiece to compliment Melling's performance. Slarb led the vanquished's scorers with 16.

CommSta#1 won number 11 on a forfeit when their opponent Medical dropped out of the league. The "Corpsmen" ended their abbreviated season with a 4-7 record. They were tied for seventh place with 57th FIS going into last week's play.

Marine Barracks dropped the "Bandits" from 57th 40-33 to stay close to CommSta#2 in their race for runner-up honors. Liles and Maine led the Leatherneck attack with 13 and 10 markers respectively. Bill Bracey of the Bandits was game high scorer with 19 points.

AFI stopped Supply 36-28 and switched standings positions in the process. The Flyboy's Carty dumped 12 while Supply's Hinkle hit for 14.

And last and least, CommSta#2 threw in the towel for the season, dropping out of the League May 12. Number Two finished with an 0-11 record, leaving the cellar open for a less fortunate team.

League Standings:

- 1. NavSecGru ... 13-0 1.000
- 2. CommSta#1 11-3 .786
- 3. Marines 10-4 .714
- 4. AFI 8-5 .616
- 5. Supply 7-5 .583
- 6. Rockville 6-6 .500
- 7. 57th FIS 4-8 .333
- 8. BarLant 3-10 .231
- 9. IKF 3-11 .215

HIT THE DIRT—An unidentified little league player demonstrates sliding form in Saturday afternoon's practice session.

Little League

The crack of leather on wood, the call of the umpire to "play ball", the shouts of an excited crowd—all these things are part of our acknowledged national pastime—baseball. Baseball in any form is great sport, but it's especially enjoyable to the little leaguer.

The Naval Station Little League will begin action on the First of June. Actual league play will kick off around the middle of June.

The league should consist of around 60 boys ranging in age from 8 to 14 years.

The search is on for coaches, managers and volunteers help to aid the junior diamonders in pulling off a successful season. All interested personnel may contact LCDR Moore at extension 3105.

Angler Makes First Catch

Lt. James Yarber, of aircraft maintenance, last May 15 recorded the first trout catch of the season.

Yarber was on a routine flight to one of the H-2 sites and during reloading operations, the avid sportsman hauled out his fishing pole and snagged a 15½ inch sea trout.

Lt. Yarber, from Jacksonville, Florida, hunts and fishes in his spare time and also bowls a good game.

Spring football practice has been completed at the Service Academies. Through the cooperation of the head coaches and the Athletic Information Offices of the Naval and Air Force Academies, the following appraisals of spring football hopes are printed:

NAVY

Annapolis, Md. Navy football coach Wayne Hardin was so pleased with the way things went in spring practice that drills were suspended after just 17 days. Normally 20 days are allotted for the spring drills.

Hardin tabs tackle Jim Freeman as "one of the finest tackles to ever play at Navy." The young mentor was also encouraged by Dick Merritt's progress at tackle, a position new to him.

The staff needed no introduction to Roger Staubach, the do-everything signal-caller. The most accurate passer in the nation last fall, "Jolly Roger" complements his strong throwing with an elusive running ability and a good head.

Pat Donnelly, the leading ground gainer in 1962, could be the finest fullback in Navy grid history, and that is saying a lot for a second-year player.

As "Navy Drives for Five (against Army)," the football staff, the team and the brigade have exciting Saturdays to look forward to in 1963.

AIR FORCE

Colorado Springs, Colo. "Looking at our Air Force Academy football team," says Coach Ben Martin, "I would have to say we will be improved in 1963." Martin is quick to give the reasons for this optimism. "Twenty-seven returning lettermen will help to make the Falcons a more experienced team than ever before," adds the only football coach the Academy has had.

"The biggest problem in spring practice," says Martin, "was the change in the substitution rule, and making allowances for it, but every team in the country faces the same rules, so that shouldn't be any excuse for us."

"The Air Force team is an eager one, and while we will have to build up our end corps, and make some adjustments at guard," added Martin, "I'm sure we will give a good account of ourselves this fall, even though we are facing a most arduous schedule."

Chiefs Have Relief Show

A Navy Relief Show will be held at the CPO Club tonight with the festivities beginning at noon and continuing till 2 a.m. Things kick off at with Happy Hour prices in effect at 12 a.m. From 1 p.m. to 2 a.m. Southern Fried Chicken Dinners will be the culinary delight, and rejoice, at only 50¢ per dinner!

And for entertainment, beginning at 7:30 p.m. continuing to 9 p.m. the offerings are lavish to say the least. Not one, two or three

acts, but seven varied performances! The show will consist of a hula dancer, an Arkansas Hillbilly Band, modern jazz and ballet dancing, plus the feature of the an accordionist, Icelandic folk dancing, plus the feature of the evening, The Whistlers, a precision dance team from the good ole' U.S.A., in for a one night stand.

From 9 p.m. to 1 a.m. the musical chores will be handled by the High Gee's with their duo-sax artistry, and the sweet trilling of everybody's favorite songbird, Helga.

Come on out and enjoy a fun-filled evening while helping the organization that helps you in time of need.

Fishing Season Tours Sponsored

The 1963 trout fishing season is underway! Special Services offers all interested personnel a once in a lifetime opportunity to fish some of the world's finest trout waters. Don't hesitate, make your arrangements now to land that big one. The facilities available are:

a. Fish Camp (Hvalfjordur, Iceland): Bus transportation departs the Viking Service Club at 0915 Monday, Wednesday and Friday and returns to the Service Club by 1700 Wednesday Friday and Monday. Boats and fishing equipment are available. For more information call extension 6190/5273.

b. Fishing lake (Lake Seltjorn): Lake Seltjorn has been leased for service personnel. Free tickets are available at the Naval Station OOD Office and the Viking Service Club. Transportation is not furnished. Dependents and Civil Service employees may purchase tickets for a small fee from the Rod and Reel Club. For more information call extension 6190/5273.

The 1963 Deep Sea fishing season provides the opportunity many await. Special Services has set up an outstanding fishing tour for all personnel and dependents who like to go after the big ones. Since the commencement of the program on the Third of May, the catch has been averaging 160 to 250 pounds for the eight rods on board the "Handfaerabatur Straumer", a 37 foot hand-line finshing boat from Hafnir, Iceland. Cod and Pollock account for most of the catch, and range from 6 to 42 pounds each. The cost is \$3.00 for each eight hour trip to the off-shore fishing grounds near Eldey Island. Tackle (rod, reel, and line) for eight persons is on board and hooks, leader and bait are available for a small fee. Personnel are encouraged to take their own sack lunches as no food is available on the boat. (Personnel are reminded to have proper customs clearance). Departures from the Viking Service Club are 0900 and 1800 and return trips arrive back at the Club at 1830 and 0130. For reservations and information call extension 6190/5273.

DEBONAIR "DEBBIE"—Perle Debbie Reynolds needs but a sun hat, a bathing suit, a tall drink, loose sandals and a bench to stop the camera.
